THE TOP 10 THINGS TO TAKEAWAY FROM THE NEW AIA DOCUMENTS

Date: **Thursday, October 5, 2017**
Time: 3:00 pm – 5:00 pm
Location: Quarry Oaks Golf Club
16600 Quarry Oaks Drive,
Ashland, Nebraska

- **PROGRAM SPEAKER:** **Joel Heusinger & Associates, Woods & Aitken LLP**

- **PROGRAM:** This past April marked the once-a-decade release of the American Institute of Architects' (AIA) A201 General Conditions document, along with the updating of many of the documents in their product line. Although the scope of the A201 revision was not nearly as significant as the sweeping re-write that occurred in 2007, there are notable changes worthy of special consideration by Contractors and Owners alike. With that in mind, Joel has assembled his top-ten changes to the AIA A201-2017. The program will also include a discussion of recent updates to some other popular standard contracts as well. As always, bring your questions along; there will be time to "quiz the attorney"!

  Cocktails will be served during this presentation.

- **NO CHARGE TO ATTEND:** Hosted by Woods & Aitken LLP
