Nebraska Building Chapter

SPECIALTY & GENERAL CONTRACTOR ROUNDTABLE DISCUSSION

MAXIMIZING THE PERFORMANCE OF THE PRE-CONSTRUCTION PROCESS THROUGH PRE & POST BID COMMUNICATION

Date: **Wednesday, June 7, 2017**
Time: 3:00 pm – 5:00 pm
Location: Quarry Oaks Golf Club
16600 Quarry Oaks Drive,
Ashland, Nebraska

- **ABOUT THE SESSION:** This **collaborative** session will focus on the benefits of clear and proactive communication between GC and Specialty Contractors before, during, and after the bidding process. The solutions are not one-sided, and we will explore the challenges from the perspectives of both SCs and GCs.

  We will start by considering the "outcome" of a similar discussion by members of AGC of CO and KS; then quickly move into roundtable discussions to uncover and share best practices for us; all of which can help lead to better contractor relationships and more efficient project starts.

  This will NOT be a "whine" session . . . . . only wine allowed will be in a glass, and yes, there will be refreshments!

- **SESSION FACILITATOR:** **Scott Van Deren**
  Scott is actively involved in the AGC of Colorado's Specialty Contractor Council. Also, he is the Business Development Manager for the Denver office of Drake-Williams Steel.

- **WHO SHOULD ATTEND:** Everyone involved in pre and post procurement activities, including top decision makers of both GC and SC firms.

- **NO CHARGE TO ATTEND:** Hosted by Nebraska Building Chapter Corporate Sponsors
