

2017

Quality People Awards

And the Winners are . . .

2017 Groundbreaker Award

Curtis Boschult, Kiewit Building Group

*The **Groundbreaker Award** recognizes someone with five or less years of experience that demonstrates innovation, is a trend setter and a developing leader.*

2017 Mentor Award

Kristopher Montgomery, McCarthy Building Companies, Inc.

*The **Mentor Award** recognizes a front-line manager that supports the professional growth of other employees and inspires everyone to reach their full potential.*

2017 Innovator Award

Matt Ramm, Kiewit Building Group

*The **Innovator Award** honors those that contribute innovation, creativity, skills and integrity to projects consistently, along with being a good role model and promotor of construction careers.*

2017 Community Supporter Award

Dennis Neemeyer, BD Construction Inc./Kearney

*The **Community Support Award** recognizes a member that uses their talents and leadership in and out of their workplace to support, promote and move the industry forward.*

2017 Quality People Awards

This program is designed by the Nebraska Building Chapter's Board of Directors to celebrate and recognize the achievements of individuals who "go above and beyond" in their communities, profession or company.
