

# MEMBER BENEFIT

## *2019 Silica Sampling & Objective Data Program Enrollment Form*

As a member benefit, the Nebraska Building Chapter has purchase an annual subscription that allows up to **25 Chapter Members** to participate in this [program](#). *This represents a \$500 savings over an individual company subscription.*

### **Program Benefits:**

- Discounted [sampling supplies](#) & [lab services](#).
- Data to assist members to develop & implement silica exposure plans.
- Allows members to evaluate samples to determine employee exposure using *Performance Option* of new *Silica Standards*.
- Employer controlled objective database.
- Provides a shared database of sampling results for program participants.

The program is available to the **first 25 Building Chapter Member firms** that complete & submit the enrollment form below.

*The annual subscription is from March 1, 2019 to February 29, 2020.*
