

Is there a Place for Design-Build on College Campuses?

Coale Johnson
Creighton University
Campus Architect and
Project Manager II

George Killian
UNO
Assistant Director
Facilities Management
and Planning

Brooke Hay
UNL
Assistant Director
Facilities Planning &
Construction, Manager
Capital Construction

Join us for networking and breakfast as we hear from an Owner's perspective on the design-build process on campuses, as well as their procurement methods. Learn about campus master planning and current projects from a higher education panel from Creighton, UNO and UNL.

Moderated by Todd Weidemann with Woods & Aiken.

Hosted by your local DBIA Nebraska Chapter
