

NORTHEAST MEMBER MEETING

Date: Thursday, December 7, 2017
Time: 2:00 pm – 4:00 pm
Location: Norfolk Country Club
1700 Riverside Blvd
Norfolk, Nebraska

- **PROGRAM SPEAKER:** Joel Heusinger, Woods & Aitken LLP
- **PROGRAM:** AIA has updated many of their commonly used contract documents. With that in mind, Joel has assembled his top-ten changes to the AIA A201-2017. The program will also include a discussion of recent updates to some other popular standard contracts as well. An additional topic to be discussed will be Latent Defects Law and the statute of repose. Also, by request, there will be a quick update on current drone regulations/usage as it applies to construction site usage for safety and marketing purposes.

This is your program; if there is another topic you would like Joel to include, just let us know ahead of time so it can be worked into the program time.

Invite your subcontractors and others in construction. They don't have to be members, just your guest to attend. Maybe there are a few potential new members in the area—especially subs.

Beverages and Desserts will be served during this presentation.
